Virtual learning began on March 16, 2020. Based on recommendations from the Massachusetts Department of Secondary and Elementary Education, we adopted a Pass/Fail grading system. Due to this change, we separated full-year courses into Semester 1 and Semester 2, and students received a grade for each semester. Traditionally, full-year courses receive only a final grade. Due to remote learning and lost contact time, CCHS did not administer final exams and we decided to forego Q5 for the academic year.
